MINUTE ENTRY

On the Court's own motion,

IT IS ORDERED clarifying the orders set by this Court on September 22, 2015 relating to the parenting conference report and recommendations of September 9, 2015. The Court inadvertently wrote its order relating to supervisors for Mother's parenting time on page 16 of the report under recommendations. The order should have reflected the following:

IT IS ORDERED that Mother's parenting time may be supervised by (1) a mutually agreed upon adult who is willing to supervise or (2) Arizonans for Children, Parenting Skills, or Fresh Start Academy, at Mother's expense.

The balance of the order remains in full force and effect.

All parties representing themselves must keep the Court updated with address changes. A form may be downloaded at: <http://www.superiorcourt.maricopa.gov/SuperiorCourt/Self-ServiceCenter>.
